

IN•CONGRUITY

by

Vincent Tirri

INT. BLACKBOX - EARLIER

KATIYA, a fictional representation of KATIYA FAUX inside of character, VIERA SPIEGEL's head, is standing in a void of black space with nothing but a microphone on a white stand.

KATIYA

What are you running from?

TRANSITION TO:

INT. BATHROOM - MORNING

VIERA is seen frantically getting ready in front of a mirror. She is seen doing her makeup, turning out sloppy and attempting to curl her hair.

KATIYA is revealed as VIERA's reflection in the mirror. She is wearing a white dress and angelic makeup.

VIERA is wearing a white top and light blue jeans. Her makeup reflects KATIYA's but in an imperfect state, as VIERA is trying to replicate what she's seeing.

KATIYA (CONCERNED)

Viera?

VIERA ignores the call and continues to fix her appearance.

KATIYA (CONT.)

Viera. Try and see yourself.

VIERA looks up slowly at the mirror and sees her real reflection. She gasps and looks away quickly, physically shaking as she grabs two tickets laid out on the sink. She reaches for the door handle, keeping her head down. She exits the bathroom quickly. KATIYA watches her leave.

KATIYA

What are you running from?

MATCH CUT TO:

INT. DRESSING ROOM - EVENING

We reveal the door of KATIYA'S dressing room, with the same white dress hung up. In the background, a muffled crowd is clapping and cheering.

She is looking at herself in the mirror, with smeared makeup and wet eyes. A knock startles her at the door behind her.

KATIYA'S MOM
Katiya, you're on soon.

KATIYA
Mom, do I have to perform?

KATIYA'S MOM
Katiya, come on. The crowd is waiting
for you.

KATIYA
I don't care. I'm tired of singing.

KATIYA'S MOM pushes the door open.

KATIYA'S MOM (ANNOYED)
You don't get to be tired! Fix
yourself up, put this dress on, and
lets go!

KATIYA wipes her face, which gets rid of her makeup, and puts
the towel in her pocket. She then holds the dress in her hand
as she contemplates her choice. She hears an announcement
from the stage behind her:

ANNOUNCER (V.O.)
Performing next after intermission is
award winning singing sensation:
Katiya Faux!

The crowd applauds again. KATIYA looks back at herself in the
mirror, and chooses to turn around, leaving the mic behind as
she exits the theater.

EXT. PARK - GOLDEN HOUR

Cutting shots between KATIYA and VIERA's feet as they run.
Finally, we see VIERA in full, as she slows down entering a
big park, with bridges, trees, and a body of water.

She walks the trail, taking in the scenery. She looks
overwhelmed. Eventually, she veers off towards the water, but
when she looks in, she sees KATIYA.

KATIYA
Viera. Is this really you?

VIERA (WHISPERING)
Yes, it is.

We see KATIYA's feet as she's walking.

KATIYA

Viera. You're losing yourself.

VIERA, once again, quickly sees her real reflection in the water and turns away. She turns to see KATIYA walking on a nearby street. VIERA stumbles backwards and falls down, dropping tickets to KATIYA's performance out of her pocket. She crawls backwards before getting up and trying to get away, confused why KATIYA would be there, and more importantly paranoid that KATIYA would see her.

Running away, she hears KATIYA repeatedly saying, "What are you running from?" in her head over and over again, getting louder.

VIERA (SCREAMING)

IT'S ME. IT'S ALWAYS BEEN ME.

She turns her head.

MATCH CUT TO:

INT. BLACKBOX - CONTINUOUS

VIERA is now in the void, an ambiguous black space. Accompanying her is KATIYA with the mic stand along with VIERA, the real reflection of what VIERA looks like, who she cannot run away from. She sees herself.

VIERA (SCREAMING/CRYING)

Why did you bring me here?! I know who I am!

KATIYA

Then what is your name?

VIERA does not answer.

KATIYA (CONCERNED)

What is your name?

VIERA (WHISPERING)

Katiya...

KATIYA

Turn your head. Who do you see?

VIERA looks at herself, her true reflection.

VIERA (RELUCTANT)

VIERA...

Small cracks appear in KATIYA's face.

KATIYA

This is what you paint me as. This picture perfect person. An escape, the easy way out.

VIERA (SCREAMING/CRYING)

What other option do I have?! KATIYA, you give me purpose, you are *everything* I wish I could be! I even have tickets to see your performance tonight, I want to go.

VIERA takes a breath in tears and sighs.

KATIYA

I'm not Kati-

VIERA (REFLECTIVE)

But who am I compared to you, Katiya, who even knows my name!? I mean, The whole world admires you and I'm just a part of that.

KATIYA (ANGRY)

I'm not...Katiya!

There's a long pause, VIERA looks confused, shocked. The cracks expand on KATIYA's face.

KATIYA (CONT.)

Viera. You need to detach yourself, this has gone too far now. You're so invested in being in congruity with someone else that you have lost your own reflection.

The cracks expand further over KATIYA. KATIYA points at the reflection of VIERA.

KATIYA (CONT.) (CONT'D)

That is who you've become. You're not becoming Katiya, you're impersonating her. Wake up and find comfort in who you truly are, stop being so scared of the mirror. You need to confront your own identity.

KATIYA is fully covered in cracks now, she and VIERA fade away. VIERA is left alone in the void, with the mic stand

across from her. She takes a step forward.

CUT TO:

EXT. PARK - CONTINUOUS

VIERA is back in reality, now standing where she ended off running; in front of a bridge. The low laying bridge stretches across a brook that flows through the park. It's small, isolated, and peaceful.

Across the bridge, KATIYA is shown taking her final steps walking up to the other end.

Without words, they slowly walk closer to each other. VIERA, still in tears, while KATIYA keeps a concerned look on her face. As they come closer, we see shots of VIERA's feet walking; transitioning between the park and the void. KATIYA initiates a hug. After VIERA hesitates in reflection and confusion, she puts her arms out.

MATCH CUT TO: THE VOID, WHERE WE SEE VIERA GRABBING THE MIC
STAND.

MATCH CUT TO: BACK IN THE PARK, KATIYA LOOKS UP DURING THE
HUG.

KATIYA (EMPATHETIC)
Why were you running?

CUT TO:

INT. BLACKBOX - CONTINUOUS

VIERA (REFLECTIVE)
I was running from myself. In order to
be in congruence. With you.

As VIERA lets go of the mic and it falls to the ground slowly. We hear muffled voices used throughout the film, loud sounds, and cracking glass. The void turns brighter, everything collapsing into itself.

The mic stand comes out of slow motion and falls quickly, the sound of the fall reverberated.

CUT TO:

EXT. PARK - CONTINUOUS

VIERA stays silent in reality, they leave the hug and lock

eye contact for a few seconds as KATIYA wipes VIERA's face with the towel from her pocket.

KATIYA
Lets go, VIERA.

VIERA (EMOTIONAL)
You know my name?

KATIYA (SMILING)
I always have. You've been at all my performances!

They hug again quickly and walk off. As they walk off the bridge, VIERA looks into the brook where we see the reflection of VIERA appear true, as herself. She smiles and catches up to KATIYA.

KATIYA walks over the fallen tickets from VIERA as they have muffled talk and walk off.

VIERA
Why are you not at your performance?

KATIYA
I ran away.

VIERA
Oh?

VIERA turns her head to KATIYA.

VIERA (WIPING A TEAR)
What are you running from?

FADE TO: BLACK
