B roll of parts of the venue and times Vincent has played concerts there.	<u>CHARACTER:</u> The sanctuary for all has been hidden under our nose for the past 3 years. Don't worry, unlike the Walking Dead, (#8) The Sanctuary in Butler New Jersey is a real, vibrant place, allowing anyone of any kind to step through the doors and call the place, "Home". I'm able to say this as someone who utilizes this non profit organization to express my passions, creativity, and personality. For example, the venue hosts concerts where I, a musician, am able to book a show and play for friends, fans, and family. (#11/12) With a super supportive volunteer team to work, their goal is to bring people together in the community. (#9) Now, here is Matthew Smith, the Founder of the establishment to talk more on the history and mission of The Sanctuary.
