CAREER OBJECTIVE

High School Student interested in Digital Cinema, seeking a position as a director of cinematography, offering an extensive background and experience in narrative films. Eager to contribute knowledge of audio and video production.

EDUCATION & TRAINING

Passaic County Technical Institute, Wayne, NJ.
September 2023 - June 2027
Major: Audio/Video Production

EXPERIENCE

- **Technical skills** **2019-2023**
 - Live streamer at Saint Anthony's parish where I streamed funerals, weddings, and daily mass using OBS Studio and live camera software.
- **2025-present**
 - Through a co-op internship program at PCTVS I learn to use industry standard lighting, recording, and sound equipment on active shoots and behind the scenes during live performances.
- **Personal skills** **2024-present**
 - Videographer and editor for DONUTNV commercials in North East New Jersey, as I filmed with a crew to make advertisements for the local brand.
 - Musician, music producer, and performer for the local band, "Shadows Become Substance" where I play live concerts and self mix studio productions that are accompanied with original music videos.
- **Communication Skills** **2019-2023**
 - Youtube account manager, videographer, and editor for Saint Anthony's school, creating promotional and general guidance videos for students and interested families.

ACTIVITIES AND ACHIEVEMENTS

- **PCTVS MARCHING BAND** **2023-Present**
 - Dedicated hours of time and practice in multiple percussion sections, winning first place percussion at State championships in 2024 and 2025.
 - Learned leadership and teamwork skills through constant cooperation with other members.
- **PCTVS CONCERT BAND** **2023-Present**
 - Participated in the percussion ensemble with lead parts.
 - Developed patience and time management skills with practices and rehearsals.
- **PCTVS STUDENT REPRESENTATIVE** **2023-Present**
 - Helped fundraise for the class of 2027 and promote school spirit.
 - Learned real life application of professionalism and communication skills.
- **PCTVS SKILLSUSA** **2024-Present**
 - Competed and placed third place in the 2024-2025 Digital Cinema state competition.
 - Attended weekly meetings to plan, film, shoot and edit short films and music videos.
 - Gained industry experience and skills using up to standard equipment and prep.
